### **SUBSTANCE OF INTERVIEW**

On March 14, 2005, Applicant's representative, Ronald Schoenbaum, conducted a telephonic interview with Examiner Van Doren and her supervisor, Tariq Hafiz.

Proposed amendments to each of the independent claims (nos. 1, 13, 18, 30, 32 and 33) were discussed during the telephone call. Shortly after the telephone conversation, Applicant's representative sent a complete proposed amended claim set, which is identical to the amended claim set above, to Examiner Van Doren for review. In a subsequent voicemail message, Examiner Van Doren indicated that the proposed claim amendments are sufficient to overcome the outstanding rejections.

No prior art references or exhibits were discussed.
